----- DEPARTMENT OF JUSTICE Notice of Lodging of Consent Decree Under the Clean Water Act Notice is hereby given that on April 30, 2007, a proposed Consent Decree in United States v. Hudson Sand and Gravel, Inc., et al., Civil Action No. 07-CV-00128-SM, was lodged with the United States District Court for the District of New Hampshire. In this action, the United States sought a civil penalty and injunctive relief for violations of the Clean Water Act, 33 U.S.C. 1251, et seq., and its implementing regulations, in connection with a sand and gravel mining operation located off Pettingill Road in the town of Londonderry, New Hampshire owned and/or operated by the settling defendants. Specifically, the United States alleged that the settling defendants discharged stormwater from the property into waters of the United States without an appropriate permit, in violation of 33 U.S.C. 1311 and 1318, and that the settling defendants discharged pollutants into waters of the United States without a permit from the United States Army Corps of Engineers, in violation of 33 U.S.C. 1344. The Consent Decree requires the settling defendants to implement injunctive relief, including obtaining a proper stormwater permit for the property and delineating all wetlands on the property and undertaking appropriate restoration, if necessary. The Decree also requires the settling defendants to pay \$250,000 civil penalty.
